- ii. Intending applicant will apply online with concept note to WBHIDCO website (indicating choice or plot preference) any time after the 30th day of publication of Expression of Interest.
- iii. Application will be scrutinized by a Transaction Advisor.
- iv. Committee of HIDCO with one external IT expert and expert from relevant subject matter will determine eligibility.
- v. On being found eligible, an UPC (Unique Project Code) will be assigned to the project and intimated by email/SMS to the applicant.
- vi. Now applicant may deposit earnest money with UPC (without valid UPC, the online portal will not accept the deposition of EMD and without EMD deposit the online portal will not accept options for plots) for the plot available as per preference.
- vii. Once the plot is opted for, the plot will then be shown as "not available" on the portal automatically.
- viii. After approval of the HIDCO Board and subsequent approval of the Govt of West Bengal / Standing Committee of Cabinet, allotment letter for 99 years lease-hold basis may be given.

1. Background

- i. The Government of West Bengal has adopted a policy for allocation of land by WBHIDCO Ltd. for technology based enterprises working in the domains of Information Technology/Information Technology enabled Services (ITeS)/Telecom and other emerging technologies like genetic engineering, biotechnology, nanotechnology, drones, robotics, augmented reality and artificial intelligence, internet of things, digital help, data analytics, research analytics etc. as specified in Annexure-A of this EoI document. The 'Bengal Silicon Valley IT Hub' is proposed to be set up in the style of 'Silicon Valley' of USA in plot No. IIE/2, IIE/2/2, IIE/57, New Town, Kolkata, measuring about 200 acres in area.
- ii. 'Bengal Silicon Valley Tech Hub' has been envisaged in the style of 'Silicon Valley' of USA *for Knowledge Based Enterprises* with the objective to create and nurture talent and invite large investments in this Sector which will have definite multiplier effect in the economic growth of the State leading to higher industrial growth and creation of employment.

2. Policy for Land Allotment in Bengal Silicon Valley Tech Hub (BSV)

i) Objectives

It is envisaged that the proposed Bengal Silicon Valley Tech Hub will be leveraged by industries, professionals and investors to foster the creation of innovative technology-led business models in the emerging technology sector as described in Annexure A, products and services which can grow into large enterprises with a global footprint. Following are few specific goals for the Bengal Silicon Valley technology hub:

- Tech led employment generation and State GDP boost
- Branding the state of West Bengal and the city of Kolkata a tech savvy and tech friendly city
- Signal to the broader tech ecosystem (in India and globally) to actively consider Kolkata as an attractive technology hub in India

The underlying objective is to promote a culture of innovation and research on new and emerging technologies. The hub is proposed to be set up on approximately 200 acres (grass area) of area in Action Area II, New Town, Kolkata, near Eco Park, a strategic location which can be reached within ten minutes from the Kolkata International Airport. The New Town-Sector V twin towns, together, have more than 74 IT companies and boasts of an ecosystem which is conducive to the growth of IT/ITeS enterprises. West Bengal has 900(+) IT/ITeS companies, constituting close to 90% of Eastern India's IT/ITeS workforce within the area of the BSV, several plots are already allotted. The present RfP indicates only the available plots. This is a dynamic portal and as more plots are taken, fewer options will be available.

The Bengal Silicon Valley Tech Hub will be a futuristic hub that will catalyze the IT and other emerging technology ecosystem in the state.

ii) Components

This world-class technology hub will provide the entire gamut of physical infrastructure to accommodate tech-led enterprises from different domains.

The proposed Bengal Silicon Valley Tech Hub is expected to be home to MNCs, start-ups, incubators, investors, all working on deep innovation in technology and tech-enabled business applications/models. Stellar research on emerging technologies, driving industry and beyond may be a key feature with which the hub can be globally identified. In future, this hub will be a center of research & development of emergent technologies-a future gateway of technology powerhouse in South Asia.

3. About New Town

- i. New Town is situated in the North Eastern Fringes of Kolkata and is fast emerging as one of India's latest and fastest-growing planned new cities. It is situated adjacent to Salt Lake City and is in close proximity to the Netaji Subhas Chandra Bose International Airport, Kolkata.

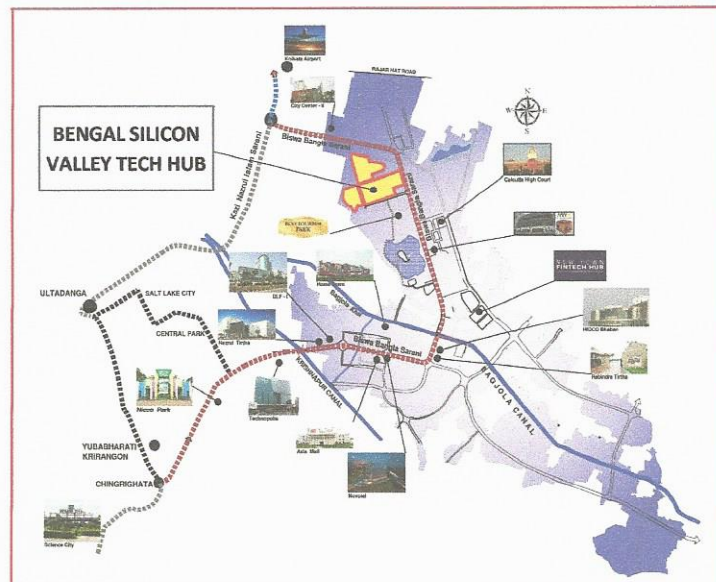

Figure 2: Location Map of New Town

- ii. The town is a Platinum Rated Green City and is one of the 100 Smart Cities of India. It has a planned population of 1 million with a proposed 0.5 million additional floating population. Around 36,400 dwelling units have already been constructed and a further 20,000 dwelling units are under construction. It is expected that the town shall have around 200,000 dwelling units catering to the housing needs of the planned population in due course.
- iii. The town has already attracted investments from leading players such as Reliance, TCS, Infosys, WIPRO, DLF, Candor, ITC-Infotech etc. A Financial Hub/FinTech Hub is located nearby where leading banks like SBI, BoB, NIC, UBI, UCO, HDFC, etc. have invested.

4. Project Rationale

The Rationale for setting up the Bengal Silicon Valley Tech Hub at New Town is as follows:

- i) Location: The New town is located in close proximity to the Kolkata International Airport. New Town is close to NH-34 which is connected to North East India via North Bengal. The township is adjoining Bidhannagar Municipal Corporation.
- ii) As a Gateway to North East: Kolkata acts as the Gateway to the North Eastern States. With its proximity to the Kolkata Airport, the Silicon Valley Tech Hub is well placed to serve the neighbouring countries of Bangladesh, Bhutan, Nepal & South East Asia.
- iii) The Silicon Valley Tech Hub is in New Town, Rajarhat which, together with adjoining Sector-V, Salt Lake, is the IT & E Hub of Eastern India with technical manpower, IT & E enterprises and educational institutions.
- iv) Strong Physical and Social Infrastructure: The town is being developed in a highly planned manner with strong infrastructure. It is also being backed up by significant investment in supporting infrastructure. An excellent convention center along with co-located hotel with capacity of 100 rooms is commissioned. Other infrastructure, social and physical, include Eco Park, Business Club, Golf Area, Swimming Pools, Plug & Play infrastructure, quality Power/Water/Sanitation/OFC networks. A Metro Link is under construction.

WBHIDCO LTD. now invites intending applicant to submit their offers for allotment of the plots of land in the Bengal Silicon Valley Tech Hub in New Town, Kolkata in the form of 'Expression of Interest' by way of transfer, on 'Lease-Hold' basis for a period of 99 years', subject to terms and conditions as at Sl. No. 11 of the notice seeking EOI, as per Schedule - A of list of vacant plots of land located in the 'Bengal Silicon Valley Tech Hub' of New Town, Kolkata from:

5. Special Promotional Price of the plots of land

The Special Promotional Price of the plots of land is @ Rs.4.70 Crores (Rupees Four Crores Seventy Lakh) per acre as one time lease premium (excluding of applicable tax, if any), applicable for each of the plots of land offered. The annual lease rent is Rs. 1000/- (Rupees one thousand) per acre exclusive of GST on the lease premium. This Special Promotional Price of Rs. 4.7 Crores per acre will remain valid for 18 months from the date of this notice and may be reviewed by the Government of West Bengal thereafter.

6. Earnest Money Deposit

An Earnest Money amounting to Rs.25 Lakhs (Rupees Twenty Five Lakh) only for plot(s) of land shall have to be deposited only through NEFT/RTGS in favour of West Bengal Housing Infrastructure Development Corporation Ltd. payable at Kolkata along with each application.

EMD of successful allottees shall be adjusted against the offered lease premium. After being declared as successful allottee by the process of allotment spelt in this E.O.I in paragraph No. 11 of this document, if the successful allottee in any case fails to comply any term or condition expressed in this E.O.I, EMD will be forfeited. One applicant intending to apply for more than one plot shall have to deposit EMD as applicable for each plot separately.

7. Bank details for Earnest Money Deposit

The Name of Bank branch, IFS Code, Account number and Account name are as follows:-

1)	Name of Bank branch	Andhra Bank, Salt Lake City Branch

- b. Upon breach of any of the covenants of the Allotment Agreement:

If the Allottee commits breach of any conditions, the allotment of land shall stand cancelled and the agreement will be terminated without any notice and WBHIDCO Ltd. shall have a right to resume possession of the said plot and also of the buildings standing thereon upon the said plot.

- c. Upon discontinuation of commercial operations:

When the lease deed will be executed and handed over to the concerned organization (i.e. allottee), the organization (i.e. allottee) shall not go into hibernation phase.

In case the allottee discontinues its existing business operations in projects related to domains specified in Annexure–A, it shall inform WBHIDCO Ltd. of the same. In case of discontinuity of operations for (6) six months or more as determined by a competent authority, the WBHIDCO Ltd. may seek explanation from the allottee regarding the proposed use for the said plot and commercial operations recommencement date.

Recommencement date shall mean the date of recommencement of regular commercial operations as proposed by the allottee in response to the explanation sought from the WBHIDCO Ltd. regarding discontinuity of business operations in Bengal Silicon Valley Tech Hub subject to approval by the WBHIDCO Ltd. and the maximum discontinuity period shall not, in any case, be more than 12 (twelve) months.

In case of no satisfactory reply is received from the allottee within the defined time frame as decided by the competent authority or passage of the Recommencement Date without allottee resuming its business operations in projects related to domains specified in Annexure–A in Bengal Silicon Valley Tech Hub New Town, Kolkata, the allotment and lease shall be liable to be cancelled and WBHIDCO Ltd. shall be entitled to re-enter into or upon the said plot and resume possession thereof the said plot and also of the buildings standing there upon the said plot and the same shall thereafter vest in the WBHIDCO Ltd. as in their former estate.

In case of three such incidences are found to be occurred at any point during the lease period for maximum discontinuity period of 03 (three) years in total, allotment of said plot and lease deed shall be liable to be cancelled and the WBHIDCO Ltd. shall be well within its rights to resume possession of the said plot.

v. Compensation upon resumption of said plot:

- a. In case of resumption of the said plot, all payments made by the Lessee shall remain forfeited.
- b. If there are any buildings on the said plot other than the said plot existing at the time of resumption of the said plot, the Lessor may at its option either consider refund for the cost of buildings as assessed by it after the assessed cost is collected from the incoming party or otherwise direct the Lessee to remove the buildings at Lessee's cost within such time as may be allowed by the Lessor.

vi. Other Points

- a. The allottee shall not directly or indirectly transfer, assign, sell, encumber or part with its interest in the allotted land either in part or in whole in any manner whatsoever, or sublet, underlet, or rent or part with possession of the leased land without obtaining prior written approval from WBHIDCO Ltd. at any time during the lease period. It shall be open to the WBHIDCO Ltd. to grant or refuse approval or impose any conditions, if considered necessary and desirable.
- b. The allotment of the plot shall at no point create any ownership rights in favor of the allottee and the ownership of the land shall remain with the WBHIDCO Ltd.

In case of applicants eligible under Clause 9(1) of this E.O.I document, 25% of the Lease Premium for the plot as indicated will be payable within 30 days of selection, rest 75% within 150 days of selection. Failure to meet aforesaid payment terms would lead to cancellation of the offer of allotment and forfeiture of the deposit, if any.

13. Other details of the plots

- a) Each plot is a stand-alone plot and accordingly separate online applications have to be submitted for separate plots. An Earnest Money amounting to Rs. 25 Lakhs (Rupees Twenty Five Lakh) only for plot(s) of land shall have to be deposited only through NEFT/RTGS in favour of West Bengal Housing Infrastructure Development Corporation Ltd. as per details laid down in Schedule-B. EMD of successful applicants shall be adjusted against the offered lease premium.
- b) The Allottee will have to pay the Property Taxes and other taxes and fees, as applicable.
- c) After execution of lease deed on attaining commercial operations for any kind of sub-leasing or for further assignment, the permission of WBHIDCO is essential. Conditions of assignment will be governed by the conditions of the lease. If lease condition is not violated, the lease may be renewed with the same usage proposal of the plot at negotiable rate.

- d) WBHIDCO will provide basic infrastructure like roads, power, drainage, Sewer connection, optical fibre ducts at prescribed fees/taxes. However, charges for construction/final power, water connection/usage, sewer connection etc. when payable, have to be borne by the Allottee.
- e) The right of record of land will remain in the name of WBHIDCO.
- f) WBHIDCO reserves the authority to cancel / defer / postpone / extend this E.O.I. without specifying any reason.

14. Scrutiny of Applications

Applications from willing Firms/Institutions will be scrutinized by a Transaction Advisor. Committee of HIDCO with one external IT expert and expert from relevant subject matter will determine eligibility.

Project proposals will be finally accepted by WBHIDCO after due approval of the Standing Committee of the Cabinet on Industry, Infrastructure and Employment and thereafter provisional Letter of Intent (LOI) for allotment of land will be issued to the approved applicants by WBHIDCO.

15. Dispute Resolution

The entire process of land allotment shall be governed by, and construed in accordance with, the laws of India and Courts at Kolkata shall have exclusive jurisdiction over all disputes arising under, pursuant to and/or in connection with the allotment process, the subsequent lease and the entire transaction, to the exclusion of all other courts in the world.

16. Force Majeure:

Neither WBHIDCO nor the applicant will be in breach of the agreement if any total or partial failure by it of its duties and obligations is occasioned by any act of God, fire, floods, terrorist attacks, riots, political strikes or disturbance, stoppage of work due to governmental order/alert. If such reasons continue to prevent performance of either party's duties or obligations for a period of more than five (5) working days, the parties shall consult together for the purpose of agreeing what action should be taken.

17. Language

The EoI and all related correspondence and documents shall be written in the English language. Supporting documents and printed literature furnished by the interested applicant with the EoI may be in any other language provided that they are accompanied by an appropriate translation into English. Supporting materials that are not translated into English shall not be considered. For the purpose of interpretation and evaluation of the EoI, the English language translation shall prevail.

18. Governing Laws

This EoI Document and the contract shall be governed by and interpreted in accordance with Laws in force in India. The courts at Kolkata shall have exclusive jurisdiction in all matters arising under the contract.

19. Cost incidental to EoI Preparation

Applicants shall bear all costs associated with the preparation and submission of their EoIs and contract negotiation. WBHIDCO is not bound to accept any EoI, and reserves the right to annul the selection process at any time prior to Contract award, without any liability to the applicants.

20. Contract Deviations

No deviations in the terms and conditions as laid out in the EoI will be accepted.

21. Right to Publish

Throughout the duration of this allotment process and contract term, potential applicants and contractors must secure from WBHIDCO written approval prior to the release of any information that pertains to the potential work or the subsequent contract. Failure to adhere to this requirement may result in disqualification of the applicant's EoI or termination of the contract.

22. Collusive EoI

Applicants and their employees, agents, advisors and any other person associated with the applicant, must not engage in any collusive EoI, anti-competitive conduct or any other similar conduct with any other applicant or any other person in relation to the preparation or lodgment of response.

In addition to any other remedies available under any law or any contract, WBHIDCO reserves the right, in its sole and absolute discretion, to reject any submission lodged by an applicant that engaged in any collusive EoI, anti-competitive conduct or any other similar conduct with any other applicant or any other person in relation to the preparation or lodgment of EoIs.

23. False or Misleading Claims

WBHIDCO may in its absolute discretion exclude or reject any EoI that in the reasonable opinion only of WBHIDCO contains any false or misleading claims or statements. WBHIDCO has no liability to any person or agency for excluding or rejecting any such EoI.

24. Amendment to the Contract

No variation or modification of the terms of the Contract shall be made except by written amendment signed by both the parties i.e. the applicant and WBHIDCO.
